

SARFARAZ AHMED

Associate Professor (Pharmaceutical
Chemistry)

PROFILE

CAREER DEVELOPMENT

- Associate Professor (Pharmaceutical chemistry).
- Having more than 10 years of experience in teaching and research.
- Principal investigator (PI) of govt. sponsored OSDD project and co-PI of the water project.

CORE COMPETENCIES

- Interest in Computer-aided drug design with expertise in docking studies and pharmacophore generation through Schrodinger and Discovery Studio software.
- Current areas of research are tuberculosis and tropical diseases.

RELEVANT EXPERIENCE

Associate Professor (Pharmaceutical Chemistry)

Global Institute of Pharmaceutical Education and Research, Kashipur (2011 – Present)

- Involved in teaching and conducting practical of subjects mainly related to chemistry, viz. Organic Chemistry, Medicinal Chemistry, Biochemistry, Process Chemistry, and Advanced organic chemistry apart from other subjects such as Biostatistics and Herbal Drug technology at both UG and PG levels.
- Involved in getting grants (as PI and co-PI) for the institute under CSIR-OSDD and water project. The two reported compounds under the CSIR-OSDD scheme were the most active across the country.
- Involved in carrying out documentation for approval from regulatory bodies such as AICTE, PCI, New Delhi and UTU, Uttarakhand.
- Member of Research committee of the institute.
- Project guide to 6 UG and 3 PG students.

Project Trainee

Central Drug Research Institute, Lucknow (2010-2011)

9 months training as Project trainee for "Integrated ligand and structure-based studies of cysteine protease inhibitors of Plasmodium falciparum."

KEY SKILLS AND CHARACTERISTICS

- Efficient in handling demanding situations.
- Efficient in written and verbal communication.
- Efficient team management skills.

Awards

- Young researcher of the year 2020 award to Mr. Sarfaraz Ahmed, Associate Professor by Shobhit University, Saharanpur, Uttar Pradesh.
- Award for excellence in research 2022, to Mr. Sarfaraz Ahmed, Associate Professor by GTEA Global, New Delhi.

EDUCATION/QUALIFICATIONS

Ph.D. (pursuing)

Department of Pharmaceutical Chemistry, Teerthanker Mahaveer College of Pharmacy, Moradabad, India

M. Pharm (2011)

KLE University's College of Pharmacy (Pharmaceutical Chemistry), Bangalore

B. Pharm (2008)

Sri Rammurty Smarak College of Engg. and Tech., Bareilly

Lifetime member of Association of Pharmaceutical Teachers of India (APTI)
